

Office of the Sark Electricity Price Control Commissioner

Notice

Tuesday, 24th July, 2018

On the 29th of June, my Notice explained that I would not be able to set an Electricity Price Control Order on 1st July, owing to the need to allow Sark Electricity Limited time to respond to a response to the consultation and me time to consider issues raised by Collas-Crill, acting for Sark Electricity Limited. Collas-Crill has informed me that they will not be responding but I am still analysing the issues raised by Collas-Crill. I had intended to be able to come to a final decision by 23rd July but the legal details have required more deliberation than I had appreciated. I aim to make a final judgement by the middle of August, 2018.
